Thank you Nicole,

Yes, please expedite the hard copy so that we can file it with the Regional Hearings Clerk. We anticipate that we will have sign off from our management by Thursday and will initiate the public comment period once it is signed.

We sincerely appreciate your efforts to get this signed quickly! We understand how much effort that takes in a large organization.

Kimby

Subject: KS Consent Agreement - Ready for signature

Ian, Sheryl, Joyce, and Nicole,

Thank you for your work on this Consent Agreement. I am attaching a PDF of the Consent Agreement for signature by Kamehameha Schools.

The PDF contains all of the edits that we discussed today. It does not contain the expenditure documentation in Paragraph 49. We will work with KS on an ongoing basis to obtain information about expenditures to close LCCs, and can discuss inclusion of an expenditures report in a subsequent CA/FO, if LCCs are identified and closed as part of the Audit.

As we discussed, please expedite the process so the CA/FO can be signed and returned to us by August 10. Please scan the signed CA/FO and send us the electronic copy in addition to the hard copy. We will need to file the hard copy with the Regional Hearings Clerk but we can start routing the CA/FO through our management as soon as we have the electronic copy.

Dean will be in touch with Nicole to prepare the press release for when we file the CA/FO with the Regional Hearings Clerk.

Please let me know if you have any questions about this process.

Kimby
